

Be the one to save a life.

## Hello! I am Nandini Mandal...

Principal of Nandanik Dance Academy, in Mt. Lebanon, Pittsburgh. I am 39 years old and a mother of 2 beautiful girls, ages 12 and 3. I have been diagnosed with a blood disorder called Acute Myelogenous Leukemia (AML). A bone marrow transplant at Memorial Sloan Kettering Cancer Center in New York is the only recommended treatment for this life-threatening disease.
